

COLUMN COVERS / SPECIFICATION GUIDE

We offer a selection of column cover systems featuring MóZ decorative metals. Our systems are engineered for easy installation and to eliminate costly custom details. To specify our column covers please follow these easy steps.

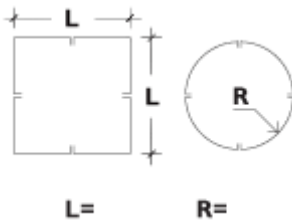

1. SHAPE

We offer a variety of shapes including round, ellipse, square and race-track.

- CC100 Round
- CC150 Square
- CC200 Ellipse
- CC250 Race-track
- CC400 Custom
